

**REMARKS**

Claims 11-36 are pending and subject to a restriction requirement as containing two inventions related as subcombinations disclosed as usable together in a single combination. The claims are restricted by the Examiner as follows:

Group I: Claims 1-30 and 34-36; and

Group II: Claims 31-34.

Since claims 1-10 are canceled, Applicants assume that Group I includes claims 11-30 and 34-36. Claim 34 is listed in both Groups I and II but logically belongs in Group I and Applicants assume this is the case.

In response to the restriction requirement, Applicants hereby elect Group I, claims 11-30 and 34-36, without traverse and withdraws the claims in Group II.

Applicants respectfully request examination and allowance of claims 11-30 and 34-36. The Examiner is invited to contact the undersigned to advance the prosecution of this application.

Respectfully submitted,  
ANDREW B. BAKER ET AL.

Dated: December 27, 2006
